Sl. No.	Nature of Activity	Level	Honours/Award & Prizes
---------	--------------------	-------	------------------------

14. List out your hobbies (not more than two) with brief description

1. Sports Analysis I actively follow sports like cricket, kabaddi, and kho-kho. As I am PWD was not able to play much, I developed an early interest in observing others. I also follow esports studying team strategies, coordination, and decision-making under pressure.
2. Multidisciplinary Current Affairs I enjoy understanding and exploring trending domains such as technology, geopolitics, and emerging industries. I try to connect how trends in one sector reflect on others, which helps me develop a broader perspective.

15. Career Goals (Do not write more than 100 words)

My short-term goal is to build strong managerial and analytical capabilities by pursuing an MBA and gaining exposure to strategic decision-making roles. With my technical background in computer science and cybersecurity, I aim to work at the intersection of technology and business strategy. In the long term, I want to serve the nation in a senior position so that I can transform my ideas into actual meaningful outcomes.

16. Academic Distinctions/Prizes/Awards/any other useful information

Sl. No.	Title	Level	Year
1	GATE CS Qualification 2025	National	2025

17. Declaration & Signature

I declare that the information given by me in this application form is true and complete in all respects to the best of my knowledge. I understand that suppression of facts or false information may lead to rejection of my application at any stage of the selection process. I also understand that the decision of IIM Calcutta in any matter related to the selection process is final and binding upon me.
